## Junior YAG Students Take Top Awards at State

Duncanville ISD's Junior Youth and Government (YAG) students from Byrd, Kennemer and Reed middle schools and Daniel Intermediate School took top awards at the state competition.

Byrd Middle School was recognized as a Premier Delegation, along with Kennemer Middle School, which received the Premier Delegation title for the fourth consecutive year. Being named a Premier Delegation is the highest team award presented at the competition.

Kennemer Middle School students brought home 15 individual medals from the competition. They won three of the five total Outstanding Statesmen honors given each year - which is similar to being named a sports MVP.

Two students were also elected to the state office – Quintin Taylor, Duran Senate (for first-year delegates) and Isaac Euceda, President Pro-Tem of the Senate.
