

DUNCANVILLE
Independent School District

**Presented by:
Region 10 Educational Service Center**

What Schools/Parents need to know about Substance Abuse Trends in Adolescents?

This workshop will help identify key traits and effects as well as patterns. Outline the dangers involved, understanding the legal system challenges, and strategies for detecting substance abuse.

**Duncanville High School
Performance Hall
900 West Camp Wisdom
Duncanville, Texas 75116
November 10, 2015
6:00 p.m. – 8:00p.m.**

Please share this workshop with parents, members in the health field, community members, district staff, and surrounding districts. This workshop is open to anyone that would like to attend.
