DUNCANVILLE INDEPENDENT SCHOOL DISTRICT 2017-2018 Board Operating Procedures

 3. Secretary of Board then informs all Board members as to who has agreed to serve.
 4. Secretary of Board causes a slate of officers to be printed and presented.
- C. Criteria for Selecting the Board President and Vice President.
The role of the president is to bring focus to Board discussion and facilitate Board decision-making. To be effective, the president cannot use the office of president to foster his/her own agenda. To do so creates disharmony and mistrust. The president must believe that reasoned, thoughtful, data-driven discussion will bring about the best decisions, even if he/she may not personally agree with the decision. In addition to being a Board Member, the president must remove him/herself from the fray of the discussion and work constantly to bring the Board together as a team and seek a consensus position everyone can live with. To accomplish these objectives, a president must:
1. Be a consensus builder
 - a. not take sides
 - b. get people to compromise
 - c. insist that decisions be "data driven" rather than "I think"
 2. Be strong
 - a. control meetings
 - b. be able to live with criticism
 - c. be willing to take unpopular stands
 3. Listen (but not necessarily accept, believe, or act on everything he/she hears)
 4. Be trustworthy
 - a. dependable (do what he/she promises to do)
 - b. open (no hidden agendas) honest (always ethical and truthful)
 - c. work effectively with the Superintendent
 - d. Be secure (i.e. does not "need" to be president)

A person should be selected to be president because he/she has the skills and values described above, not because it is his/her "turn." Some people can be excellent Board Members but are simply not suited to be president.

XI. ROLE AND AUTHORITY OF BOARD MEMBER AND/OR BOARD OFFICERS

- A. No Board Member or officer has authority outside the Board meeting.
- B. No Board Member can direct employees in regard to performance of their duties.
