Budget for the 2019-2020 School Year

### **Executive Summary**

Dear Board Members, Employees, and Other Stakeholders:

The annual combined budget of the Duncanville Independent School District for the fiscal year 2019-2020 is hereby presented. The budget reflects total expenditures for the General, Child Nutrition, and Debt Service Funds in the amount of \$147,063,215 and represents an increase of \$5,341,039, or 3.7%. Projected revenues are identical to projected expenditures.

Enclosed please find schedules for the General Fund, Child Nutrition Fund, and Debt Service Fund, all of which are required by law to be approved by board action.

#### Next Year's Budgets and Rates

The Maintenance and Operations tax rate of \$1.0684 is \$0.1016 less than last year after the passing of the TRE. This is the highest maintenance and operations tax rate allowed by statute. The District's Interest and Sinking tax rate of \$0.35, the same as last year's rate after the passing of the TRE.

The District's preliminary property values for development of the 2019-2020 budget, are up \$538,973,951, or 11.4%, from the 2019 certified property values. Please keep in mind that these values typically drop by an average of 3.3% from the preliminary values used for this budget to the certified values in July. The total tax rate proposed is \$1.4184, \$0.1016 lower than the 2018-19 rate. The District's certified taxable values will be received from Dallas Central Appraisal District July 25, 2019.

#### **General Fund:**

General Fund spending per student in 2019-2020 will increase by \$417 per average daily attendance (approximately 4.2%), from \$9,067 to \$10,300 per average daily attendance.

Total proposed General Fund revenues are budgeted to be \$122,760,368, an increase of \$4,963,601 or 4.2% above the 2019-20 budgeted revenues of \$117,796,767 after the passing of the TRE. The increase is mostly attributable to the increase in property tax values and for increased state funding under HB3.

Total proposed General Fund expenditures are up 4.2% from last year. Last year, expenditures were \$117,796,767 and proposed expenditures for 2019-2020 are budgeted to be \$122,760,368. This increase is primarily due to salary increases, increases in utilities and insurance rates.

#### **Child Nutrition:**

Total proposed Child Nutrition Fund revenues are budgeted to be \$7,444,219, an increase of \$83,829 or 1.14% above the 2018-2019 budgeted revenue of \$7,360,390.

Total proposed Child Nutrition Fund expenditures are up 1.14% from last year. Last year, expenditures were \$7,360,390 and proposed expenditures for 2019-2020 are budgeted to be \$7,444,219.

#### **Debt Service:**

Total proposed Debt Service Fund revenues are budgeted to be \$16,858,628, an increase of \$293,609 or 1.77% above the 2018-2019 budgeted revenue of \$16,565,019 after the passing of the TRE.

Total proposed Debt Service Fund expenditures are up 0.2% from last year. Last year, budgeted expenditures were \$18,828,319 and proposed expenditures for 2019-2020 are budgeted to be \$18,866,809. The Board allowed the excess debt service due to be paid out of the Debt Service Fund Balance. The 2019-20 budget is designed to do the same in the 2019-20 school year.

### Capital Projects:

In November 2014, the District's voters approved a \$102.545 million bond issue that has been used to build a new Hastings Elementary and a new Acton Elementary. Changes were made to Kennemer Middle School to accommodate additional students as well as preparing for 6<sup>th</sup> grade students in the STEAM Academy. Changes were made to Duncanville High School to better accommodate the Collegiate Academy that is housed there. Safety and Security was upgraded on most campuses and the aging facilities portion of the bond has been used to upgrade most campuses.

#### Challenges:

While the passage of HB3 has increased funding to Duncanville ISD, the formulas used to calculate state revenue do not produce the revenue that statute says can be generated. Therefore, there is a supplement of about \$2.5 million that is necessary to bring the district's funding up to the correct level. This supplement is at the discretion of future legislative bodies and can be removed. The district continues to grow programs to enhance the education of all children and this growth is dependent on a predictable stream of revenue which, at this time, continues to be a variable.
